

How It Will Harm Our Children

1

New road **dangerous to cross** for children and parents walking to school.

2

Additional **pollution** harming the health of our children and making it more difficult to learn.

3

Additional **noise** harming our children and making it more difficult to learn.

4

Classrooms close to the road at risk from crashes and exposed to extreme noise.

5

Parking for drop-off and pick-up **taken away**.

6

Trees that protect from pollution and noise will be cut down.

7

Ballfield will shrink.

8

Playground structure will need to be torn down.

9

Additional **traffic on Oakland Rd**.

10

New road blocking **exit route** in **case of emergency**.

Don't let the City bulldoze over our great school!
You can help fight the Charcot project!
